Yearling Books, United States, 2012. Paperback. Book Condition: New. 190 x 130 mm. Language: English . Brand New Book. The most winning junior detective ever in teen lit. (Take that, Nancy Drew!) Midwest Children s Book Revie w Sammy thought she d seen all the weirdness her town had to offer and then she met Justice Jack, Santa Martina s very own superhero. Well, really he s just a guy in spandex and a mask who rides around town on a dirt bike, hoping to find some crime to fight. The old folks in town think he s wonderful. So wonderful that they ve asked him to track down Sammy s neighbor Mrs. Wedgewood, who seems to have disappeared along with a lot of other people s cash. Sammy s friends think Justice Jack is funny and cool. Billy Pratt s even auditioning to be his sidekick! But Sammy thinks he s kind of . . . lame. He s more of a showstopper than a crime stopper. And when a real mystery comes along, Sammy finds herself right in the middle of it. . . . The Sammy Keyes mysteries are fast-paced, funny, thoroughly modern, and true whodunits. Each mystery is exciting and dramatic, but it s the drama in Sammy s personal life that keeps readers coming back to see what happens next with her love interest Casey, her soap-star mother, and her mysterious father.
