A GREAT civilization is a collective personality. Like great men, whom the past does not Racesattle account for, it is a mystery of genius and dawn of spiritual gravitation. Isto, T We can report the conditions of its development. We cah trace climatic and historical influences that have educated it. Behind these we note determinative qualities of race, which, while constantly modified by such external forces, are yet inexplicable by them. The word race, moreover, is used quite indefinitely, and, like species, serves but to prove the limitations of our science. It is applied to kinds of relation widely differing not in breadth only, but in origin and substantial meaning. Thus the term Aryan or Semitic marks a class of unities wholly distinct from that designated by such terms as Teutonic and Hebrew; and these again differ to an equal extent from that kind of unity which would constitute races as American, African, or Polynesian. But, in whatever sense conceived, races are fragmentary; and the growth of civilization is dependent on their fusion. However we may decide the question of their origin, it is certain that, when we mark their first appearance in history, it is their incompleteness that most impresses us. This embryological phase, it is true, combines the just apparent germs of those forces which subsequent stages of growth must differentiate and develop. Yet, while each race is thus endowed with all properly human elements, it manifests some one...
