Excerpt: . . . 9 this is very important to customers who are traveling to pick up their remittances - the type of transaction, whether it is bank ac-count to bank account, or whether it involves cash or cards, and then what sort of pick-up fee our consumers might expect on the back end. There is another element to our disclosure template that we be-lieve is terribly important, and that is a sample of remittance cost, so that consumers can see the effect of seemingly small differences in fees and exchange rates, and what that means for the ultimate amount that could be picked up upon delivery. We think that this technique will address some of Dr. Orozcos concerns, in that this would be suitable for downloading, and could be delivered to providers, such that they could insert their own financial and costing information and make the information readily available to their customer base. In addition to this template, we have five recommendations that are corollary to use...
