By Sidonie Matzner Gruenberg

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Your Child Today and Tomorrow In my efforts to learn something about the nature of the child, as a member of child-study groups, and in my own studies, I have found a large mass of material - accumulated by investigators into the psychology and the biology of childhood - which could be of great practical use to all concerned with the bringing up of children. In this little book I have tried to present some of this material in a form that will make it available for those who lack the time, or the special training or the opportunity to work it out for themselves. It has been my chief aim to show that a proper understanding of and sympathy with the various stages through which the child normally passes will do much toward making not only the child happier, but the task of the parents pleasanter. I am convinced that our failure to understand the workings of the child's mind is responsible for much of the friction between parents and children. We cannot...
