## CAPE COD AND THE OLD COLONY (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Cape Cod and the Old Colony The author made his first and long deferred visit to Cape Cod in the summer of 1915. There on the highlands of Truro, with their superb air, marvelous views and the freedom of untrammelled nature, the Cape cast its spell upon him. Fugitive excursions on the upper parts of the great foreland revealed to him its variety of beauty and its significant history sent him to libraries where loving annalists had written what they knew and felt about the land of their fathers. Old as the Old Colony is in the story of America, it is not well known, and even those who visit it have small means of understanding its hills, lakes and shorelines. Thoreau saw but a small part of the Cape, and that in a remote time when its physical evolution was unknown and the human unfolding lacked the stages of the last half century. Other writers have touched the life and lore of special places, leaving room, it would seem, for a study on broader lines, and savoring a little more of the order which a student of science would try to give it. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
