But Seriously

By David Jenneson

Hard Shell Word Factory, United States, 2005. Paperback. Book Condition: New. 200 x 126 mm. Language: English . Brand New Book ***** Print on Demand *****.Open the pages of But Seriously and you'll see that it is anything but serious. David Jenneson's tight, funny first person wit will keep you reading, smiling and nodding in agreement. His broad brush covers everything from beating up Spammers to destroying Andy Warhol sculptures in the name of art, from the Beatles to being chased by shotgun wielding millionaires. Even his more serious pieces like Freedom 54 (about the pitfalls of being fired at age 50) and My Little Cancer Doll (about providing home care to a companion with serious breast cancer) still raise a smile here and there. And yes, there is even a first person experience about finding faith on a frozen stretch of highway in 1967. It gives a broad look at a generation coming to age and remarkably, always find humor even in the darkest of circumstances. A great gift for someone who truly loves the written word.
