EARTH UNAWARE THE FIRST FORMIC WAR

Tor Science Fiction. Paperback. Book Condition: New. Mass Market Paperback. 464 pages. Dimensions: 6.6in. x 4.1in. x 1.5in. A hundred years before Orson Scott Card's *Ender's Game*, humans thought they were alone in the galaxy. Humanity was slowly making their way out from Earth to the planets and asteroids of the Solar System, exploring and mining and founding colonies. The mining ship *El Cavador* is far out from Earth, in the deeps of the Kuiper Belt, beyond Pluto. Other mining ships, and the families that live on them, are few and far between this far out. So when *El Cavador's* telescopes pick up a fast-moving object coming in-system, it's hard to know what to make of it. It's massive and moving at a significant fraction of the speed of light. But the ship has other problems. Their systems are old and failing. The family is getting too big. There are claim-jumping corporates bringing Asteroid Belt tactics to the Kuiper Belt. Worrying about a distant object that might or might not be an alien ship seems not important. They're wrong. It's the most important thing that has happened to the human race in a million years. This is humanity's first contact with an alien race. The First Formic War is about to begin. *Earth Unaware* is the first novel in The First Formic War series by Orson Scott Card and Aaron Johnston. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Mass Market Paperback.
