Into the Darkness

By Jay Allan

Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. A brand new series by the author of the bestselling Crimson Worlds saga. Terrence Compton is one of Earth's greatest admirals, a warrior almost without equal. Alongside his oldest friend and brilliant colleague, Augustus Garret, he and his forces saved Earth from invasion by the robotic legions of the First Imperium's insane computer Regent. There is just one problem. The First Imperium was held back by the disruption of the sole warp gate connecting the two domains, and Compton and 300 of his ships are trapped on the wrong side, surrounded by the Regent's vast fleets and cut off from Earth. Pursued by their deadly enemy, Compton and his fleet must flee into the darkness of unexplored space, seeking safety, and ultimately a new home. Their journey will take them deep into the heart of the First Imperium, to the silent, windswept worlds where the ancient race that built the Regent once dwelled, and uncover the lost secrets of its disappearance 500,000 years ago.

Reviews

It is great and fantastic. Better than never, though I am quite late in starting reading this one. Your life period will likely be transformed once you comprehensively read this book.
