Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Snow, shows congregational leaders how to help a group recognize its assets and the abundance of God's gifts and to act on them in ministry and mission. Congregations will find the book easy to read and immediately useful. Leaders can begin with the tested Quick and Simple Asset Mapping Experience to strengthen and inspire any group in the congregation in as little as an hour. Further tips, techniques, stories, and lessons drawn from the experience of diverse congregations will help readers discover how asset mapping works. Finally, Snow provides lessons about why asset mapping strengthens faith and community.
