Africa Rising?: BRICS - Diversifying Dependency

By Ian Taylor

James Currey. Paperback. Book Condition: new. BRAND NEW, Africa Rising?: BRICS - Diversifying Dependency, Ian Taylor, Africa is said to be rising, turning a definitive page in its history, heralding new and exciting possibilities for the continent. This discourse maintains that with upsurge in economic growth comes improved governance and endogenous dynamics; that the emerging economies, and especially the BRICS (Brazil, Russia, India China, South Africa), have been instrumental in diversifying Africa's international relations, perhaps leading to a radical change in the global order, favourable to the developing world. But to what extent is this true, and how deep and how broad has been the impact on society at large? This book takes a critical look at the prevalent Africa Rising discourse, and explores the nature and implications of Africa's "rise" and the role that the BRICS have played in it. The author argues that Africa has still to undergo any structural transformation; that there is strong evidence that deindustrialisation and jobless growth have accompanied the upsurge of interest in the continent; and that far from making a radical turn in its developmental trajectory, Africa is being pushed into the resource corner as commodity exporters, to the North (and now,...
