

Need to Be Great: The Magic of Thinking Big

Filesize: 7.11 MB

Reviews

*A really wonderful book with lucid and perfect reasons. This can be for all who statte there was not a worth reading through. You are going to like how the author write this book.
(Dr. Grady Jacobi DDS)*

NEED TO BE GREAT: THE MAGIC OF THINKING BIG

WWW.Bnpublishing.com, United States, 2007. Paperback. Book Condition: New. 231 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.Let me introduce myself. You know me somewhat, but not well. I would like to change that now. I want to show you who I am, and what I do. Once I do this, I hope you will look at me as a friend. Then - if you wish - we can do many great things together. Who am I? What do I do? I live half within you, half beyond you. The part of me that is in you occupies what people call the unconscious. From here, I speak to you. I send you messages. These messages you think of as ideas, impulses. I make suggestions to you. You choose to follow or ignore them. I advise you. You decide whether you like my advice or not. In addition, I exist beyond you, in the world around you. I am in the people you meet. I am in the celebrities you hear about. I am in books you read and music you enjoy. I am in plant and animal life. From all around you, I send you messages. I show you different styles of living, different ways to conduct yourself. I bring you new things to look at, new things to admire - things you might even want for yourself. An ideal Everything you do, every word you speak, starts with a thought. This thought is a force. It has a power to make you act in a certain way. Even those thoughts that do not result in action, thoughts that just pass through your head, have an importance. They affect your personality in subtle but crucial ways. What provokes such thoughts? There are a few such...
