As the third child in the Carter family, I always felt a little on the outside of the Carter charm. I worked hard and played harder, but I was getting tired of the same old scene. I was more than Jess Carter's little sister, I wanted to be me. Pam Carter. It was time for a change and I wanted to be set free. I knew it needed to happen. After years of one night stands and too brief sexual encounters, an accident brought Fate to me. To resist his charm was my penance for years of misbehavior. The temptation to give in to my desire haunted me for almost two years, until an uncontrollable situation started the twisted path to test my resolve further. What would it take to claim my independence and be a new, improved woman? I worked for Jacob Vincent, horror novelist extraordinaire, as his personal assistant, but I was adamant that the relationship remain professional. Jacob had dark demons and I couldn't bring him into the light, or could I? Life was springing forth for me; changes were coming. I knew it was time to be set free from who I had been and who I was to start fresh with who I wanted to be. I just didn't know where to start to change my destiny. ++++++ Return to Elk Rapids for the third sensation in the Sensations Collection, Fragrance Free. A standalone contemporary New Adult romance, this novel continues the stories of the Carter and Scott families.
