Brand New Book ***** Print on Demand *****.The Mis-education of Joy is the story of three lives that intersect one semester in a college classroom and as a result these lives are profoundly changed forever. Joy Hunter is an enthusiastic young girl who shares her faith with everyone. At seventeen, she has always depended on her religious faith to overcome her many obstacles. One of which is a childhood illness that threatened her with no more than fifteen years of life. Upon graduating high school, and being accepted to a local college, Joy for the first time is hopeful about her future. At college, she meets Jim Byrnes, a history professor with a clouded past and a deep rooted contempt for religion. The classroom explodes as Professor Byrnes is challenged by a student named Paul, who the class has labeled the fanatic, and Joy s faith is put to a new test. Fearing her light is growing dim because of her doubt, Joy finds herself searching for answers; but who will she turn to and where is the unseen hand of God that watched over her for 17 years? As Joy, Professor Brynes and Paul seek to separate fact from fiction, they each encounter grace. Told in traditional dialogue form, The Mis-education of Joy is a heartwarming tale that explores the rightsof the believer in a secular society, while showing the role of the believer in a secular society. Davis III It is a true page turner that reminds us that faith persists not because...
